INTERVIEW SUMMARY

The Examiner was contacted by the undersigned on December 1, 2006 regarding the Office Action dated September 29, 2006 (the "Office Action"), which contains substantially identical rejections to those withdrawn during the pre-appeal brief review process but for citations to different portions of the previously cited references. It was explained that these rejections were withdrawn based on arguments pertaining to the references as a whole and that Applicant's arguments in the pre-appeal brief review encompassed the rejections in the Office Action. It was requested that an interview be held with the Examiner's supervisor to discuss the withdrawal of the rejections in the Office action.

The Examiner's Supervisor was contacted on December 6, 2006 and it was explained to him that identical rejections to those withdrawn during pre-appeal brief review (with the exception of different citations to the previously cited references) were presented in the Office Action.

A meeting was held between the Examiner and his Supervisor to discuss the references and the rejections in the Office Action. A call was received from the Examiner on December 12, 2006 during which call the Examiner stated that he and his Supervisor determined that the references in the Office Action could not sustain the rejections. The Examiner also stated he updated his search and did not find any new references and that he was going to allow the case.

The Commissioner is hereby authorized to charge payment for any fees associated with this communication or credit any over payment to Deposit Account No. 16-1350.

Respectfully submitted,
